

## **Spiritual Development is the Heartbeat of Our Curriculum**

At St Peter's Church of England Infant School, we believe children live up to their potential if they are happy, have fun, feel nurtured and grow from a foundation of strong Christian Values, thus allowing them to flourish as individuals. We value spirituality and the holistic development of the child. Our role as educators is to guide the children in our care along the path of life. As children grow in their understanding of spirituality and values, they become secure enough to make mistakes and therefore move on with their spiritual learning and academic growth. We are a highly inclusive school and welcome all faiths, cultures, and children from any background.

### **Our Ethos:**

As a church school our ethos is rooted in our Christian faith, and we seek to encourage an understanding of the meaning and significance of faith in the lives of our children.

We believe that our children have unlimited potential, and we strive to play our part in the promises of God for their future.

**“For I know the plans I have for you,’ declares the Lord, ‘plans to prosper you and not to harm you, plans to give you hope and a future.” Jeremiah 29:11**

Spirituality is the heartbeat of our school. It is how we understand ourselves and our place in the world: recognising strengths, weaknesses and having confidence to challenge ourselves. We care for the local and global community and our Christian values underpin our learning and encourage children to ask 'big questions'.

It is also vital that all adults in the school see the need to develop their own spirituality for their own wellbeing, and so that they can effectively support and help our children and each other.

Our children and staff have been involved in writing our definition of spirituality:

### **Facilitating Spiritual development:**

Everyone involved in our school is valued and seen to be valued. Our school is built upon four core values which are founded in our Christian ethos and reflect who we are as a community. These four pillars lie at the heart of all that we do and underpin our work and how we go about achieving our vision.

#### **Respect – Resolve – Aspiration – Well-being**

- All adults recognise the need to set good examples of mutual respect and considerate behaviours.
- All our policies and practices are clearly seen to reflect the worth of individuals.
- Our ethos (implicit and explicit) welcomes the differences in beliefs and values and invites everyone to share and belong.
- Displays and pictures continually celebrate and encourage reflection and spirituality.
- There is a daily act of Collective Worship which is invitational, takes different forms and involves all children. All adults within the school are also invited to participate at this time as well.
- Our RE curriculum is inspiring, challenging but motivating.

#### **Assessment: Impact: how do we know this is being effective?**

Spiritually developed children love and accept themselves and enjoy good relationships with each other. They take an interest and delight in the world around them; they are open to what lies beyond the material (this may manifest itself in faith/belief in God). They are able to express and understand feelings, they have a strong moral sense, and a love of what is good. They are able to enjoy quiet and stillness, they possess an active imagination, and show joy in creativity and discovering new skills.

#### **Monitoring and Evaluation:**

Developing spirituality is the responsibility of all stakeholders as it will have a fundamental impact on the quality and nature of the experiences offered by our school.

The Headteacher/RESL is responsible for evaluating the effectiveness of spirituality and for ensuring all staff, parents and governors understand how the school interprets spirituality, ensuring that regular, professional development is provided.

The Headteacher will liaise with all stakeholders to monitor and evaluate the impact of spiritual opportunities across the curriculum.

This will be achieved through:

- Reviewing curriculum schemes of work and policies to ensure the school's values are at the heart of our curriculum design.
- Monitoring of lesson plans and the quality of teaching and learning.
- Evaluating SMSC development through work scrutiny, pupil talk and learning walks.
- Sharing good practice within the school and where appropriate, with other schools.

- Ensuring that SMSC development is a priority within the School Development Plan, and this is shared regularly with all stakeholders.

**Review and Evaluation:**

This guidance will be reviewed every two years, or according to updates, with the Ethos Committee and Faith group and quality assured by the Headteacher and SLT to ensure statutory changes and best current practice.

**The four elements of spirituality are:**

*Self*  
*Others*  
*Transcendence (Beyond)*  
*Beauty*

We have therefore structured these 4 elements around our four core pillars.

The following examples are not exhaustive and are not ordered by priority.

**See also SMSC report for how spirituality can be seen through our curriculum offer**

**“Pupils flourish at this nurturing school. The school’s strong Christian ethos permeates all aspects of school life. The school values are understood by all.”**

## Resolve

***“Be strong and courageous. Do not be afraid; do not be discouraged, for the Lord your God will be with you wherever you go.” Joshua 1:9***

We encourage our children to be enthusiastic about learning and positive about the future, developing their own emotional strength and resilience. We promote a ‘have-a-go’ culture where children develop confidence in who they are and what they can achieve.

## Well-being

***“I lift up my eyes to the mountains - where does my help come from? My help comes from the Lord, the maker of heaven and earth. He will not let your foot slip.” Psalm 121:1-3***

The well-being of all our children is our top priority and we strive to create a safe, supportive environment for everyone. We seek to promote and safeguard the physical, emotional and spiritual well-being of all those in our care, ensuring that all our children develop a high self-esteem and know that they are valued.
